Sell RJET (Close Position)

May 5, 2013

Dear GuruFundPicks' Alpha News Edge Trade Alert Customers,

Your latest Trade Alert.

Stock: RJET

Action: Sell (Close Position).

Current Price: \$9.66

Thesis: Position opened 5/1/14 at \$8.60. As we have explained in our recent communication, we will be more aggressive in taking profits and getting out of losing positions, as long as the market character remains less forgiving, or more punishing. We will look to re-enter this position, hopefully at lower price levels. For now, we are happy with taking a 12%-13% profit in two days, and moving on.

Best,

support@GuruFundPicks.com
